This nomination form should be attached to a brief description (500 words or less) of your Nominee's conservation education program. Up to four photographs can also be included (please submit separately for photo quality).

**Purpose:**

The OFSWCD, Teacher of the Year Award, strives to honor and recognize excellence in conservation education efforts by our classroom teachers.

**Eligibility:**

Teachers who are fostering conservation education unless they have won the "Ohio Teacher of the Year" award in the past five years. There are two categories for nominations, primary and secondary.

**Application:**

To nominate your outstanding teacher, complete the nomination form and return it to the OFSWCD. Nominations should include a brief description of your nominee's conservation education program and a picture.

Applications may be submitted hard copy or electronic by 11:59 pm on Dec 19, 2026 to:
